

A technical line drawing of the rear view of a device, possibly a handheld scanner or a specialized camera. The device has a central vertical axis. At the top, there is a small cross-shaped feature. Below it is a rectangular cutout. Further down is a circular hole. In the center, there is a large rectangular area containing text. At the bottom, there are two circular features on either side of a central slot. The drawing uses black lines on a white background, with some areas shaded in light gray.
